My name is Muhammad Taha. I'm 20 years old. I'm doing BSCS (Bachelor of science of Computer Science) from NCBAE. Working on Mern Stack Technologies from past 1.5 years.

PROFESSIONAL EXPERIENCE

I am a self-taught web developer with a foundation in the MERN stack, seeking an internship opportunity to apply my skills in a professional environment, learn from experienced developers, and contribute to impactful projects.

September 2022 – Present

 - ** Developed MERN Stack Projects: ** Built and deployed several full-stack web applications using Mongo DB, Express.js, React.js, and Node.js, showcasing a robust understanding of modern web development.
  - **Project 1:** [**ShopNest**]
    - Created an E-commerce store named ShopNest.
    - Implemented user authentication and authorization using JWT.
    - Developed RESTful APIs to manage user data, posts, and comments.
    - Implemented secure payment processing with Stripe API.

  - **Project 2:** [**Live In Stock**]
    - Designed and developed a Stock Exchange website that included features such as Portfolio, Trending Coins, and Exchanges etc.
    - Built a responsive and interactive UI using React.js and Material-UI.
